The rates proposed by the Cable Operator shall automatically take effect after that 30-day period unless the Franchising Authority issues a statement that it needs additional time to make its decision.

If the Franchising Authority decides that it needs longer than the initial 30-day period to consider the rate request, it may issue a statement to that effect. Such a statement may provide for up to ninety (90) additional days to review a rate based upon a benchmark approach and up to one hundred fifty (150) additional days to review a rate request based upon a cost of service approach.

If the Franchising Authority cannot reach a decision by the end of the extended period set forth in the preceding paragraph, the rates proposed by the Cable Operator shall go into effect, subject to refund. CHAPTER VI – 7

An Ordinance to Establish a Parking Trust Fund – 1999

Preamble. Article X, Part II, Section 4(2)(c)(5)(ii) of the Zoning Ordinance of the Town of Camden, Maine states that the off-street parking requirements of Article X, Section 4 of the Zoning Ordinance shall be waived upon application to the Zoning Board of Appeals, in the event that a Parking Trust Fund has been established by the Town of Camden for the Downtown Business (B-1) District, the Transitional River Business District (B-TR), and the Harbor Business (B-H) District and in the further event that the applicant demonstrates that the applicant is a participant in that Trust Fund, hereinafter referred to as the “Fund”, financed through a fee mechanism which, once established, shall constitute a method by which property owners in the B-1, B-TR and B-H Districts of the Town of Camden can qualify for a waiver of the off-street parking requirements.

In the Town of Camden, the pressure of development combined with the ongoing growth in tourism has caused a significant and annually-increasing problem with parking in the Downtown and Harbor areas. That parking problem has resulted in a number of adverse effects for the Town of Camden including , without limitation, significant traffic problems and an inability of residents and non-residents to find parking in the Downtown and Harbor areas of the Town within a reasonable period of time, with a consequent loss of business for the Town and significant inconvenience for its residents.

The purpose of a Parking Trust Fund Ordinance is to establish a fund for the construction or expansion of municipal off-street parking facilities, and to provide a means to reduce the parking problem. By contribution to this fund, property owners in the B-1 , the B-TR, and the B-H Districts, in which the parking problem is particularly acute, will advance a solution to the parking problem which will benefit those individuals and businesses contributing to the Fund, and also be of wider benefit to the entire community.

Accordingly, the Parking Trust Fund Ordinance is enacted pursuant to the Home Rule powers of the municipality (Title 30-A M.R.S.A. §3001), in order to provide a mechanism which will allow participants in the Fund to meet the off-street parking requirements by a waiver of those requirements, without sacrificing the purposes of the off-street parking requirements.

The actual cost of construction is estimated to be \$6,000.00 to \$10,000.00 per space for ground-floor parking spaces and \$10,000.00 to \$17,000.00 per space for decked parking spaces. In order to encourage the use of the Fund mechanism, it is deemed beneficial to establish a Fund fee which is less than the anticipated actual cost of construction on the basis of the estimated cost of each parking space.

Section 1: Parking Trust Fund.

A Parking Trust Fund is hereby established by the Town of Camden. The Trustee of the Parking Trust Fund shall be the Town Manager of the Town of Camden. The appointment of the Town Manager as the Trustee shall be made by the Board of Selectmen as an annual appointment, no later than August 1 of each year.

Section 2: Powers and Duties of the Trustee.

The powers and duties of the Trustee of the Fund shall be as set forth in the Parking Trust Fund Agreement, hereinafter referred to as the "Trust", a copy of which is attached to this ordinance and incorporated by reference herein.

Section 3: Purpose of the Parking Trust Fund.

All fees contributed to the Fund shall be dedicated to the construction of municipal off-street parking facilities in accordance with plans for such construction approved by the Board of Selectmen, or for other purposes which enhance solutions to the parking problem in the Town of Camden, including, without limitation, the following purposes:

- (1) Expansion of an existing municipal parking facility;
- (2) Land acquisition costs for an existing municipal parking facility or for a proposed parking facility; and
- (3) Research and implementation of other solutions to the parking problem.

Section 4: Parking Trust Fund Fee.

In the B-1, the B-TR, and B-H Districts of the Zoning Ordinance of the Town of Camden, any applicant for a building permit, or other persons subject to the requirements of Article X, Section 4(2)(C) of the Zoning Ordinance, may apply to the Board of Appeals for a waiver of those off-street parking requirements by submitting an application to the Board of Appeals, together with such information as may reasonably be required by the Board of Appeals. The application shall specifically state the number of parking spaces which would be required of the applicant in order to meet the off-street parking requirements of the Zoning Ordinance for the proposed use, the specific number of parking spaces for which the applicant seeks a waiver, and a statement of the Parking Trust Fund fee (hereinafter referred to as the "Fee") which must be paid by the applicant in order to qualify for the waiver.

The Fee shall be calculated by multiplying the number of parking spaces for which the applicant seeks a waiver by the sum of Four Thousand Five Hundred Dollars (\$4,500.00).

Section 5: Board of Appeals Action on Application for Waiver.

Upon receipt of an application for a waiver of the off-street parking requirements, the Board of Appeals shall act upon that application within thirty (30) days of the date of receipt of that application.

Failure of the Board of Appeals to act upon such an application within thirty (30) days of the date of receipt of that application shall constitute a denial of that application.

Upon receipt of a proper application, containing all of the information reasonably required by the Board of Appeals, the Board of Appeals shall approve that application for a waiver, so long as the applicant meets the following standards:

- (1) The applicant has standing to make the application.
- (2) The applicant has not established any other uses on the land which is subject to the application, or on any other land located in the Town of Camden, which illegally violates the off-street parking requirements of the Zoning Ordinance of the Town of Camden.
- (3) The use of the land for which the applicant requests a waiver is a legal and permissible use in the zoning district in which the applicant's property is located, and any special exceptions necessary to make that use legal, or any variances which must be granted by the Board of Appeals in connection with that use, or any other approval by the Board of Appeals that is necessary in connection with that proposed use, have been approved by the Board of Appeals prior to action on the application for a waiver of the off-street parking requirements.
- (4) In the event that the waiver is requested for fewer than the required number of off-street parking spaces, then the applicant's proposed use, with the waiver, will thereafter comply with the off-street parking requirements.

Section 6: Issuance of Waiver by the Board of Appeals.

Any waiver of the off-street parking requirements by the Board of Appeals, as set forth in Section 5 of this Ordinance, shall be subject to the condition that the waiver shall be effective only in the event that the entire amount of the Fee is paid to the Parking Trust prior to the expiration of a period of sixty (60) days from the date of approval. In the event that the applicant fails or omits to pay the Fee to the Trustee of the Fund within that sixty-day period, then the approval of the waiver shall become null and void and, in addition, the applicant shall not be permitted to make another application to the Board of Appeals for a waiver for a period of one year from the date of the initial approval. The payment of the Fee shall be made to the Code Enforcement Officer, who shall promptly deliver the Fee to the Trustee. The Code Enforcement Officer shall certify the date of payment, in writing, to the Board of Appeals.

Section 7: Segregation of Parking Trust Fund Fees.

All of the Fees contributed to the Trustee of the Fund shall be segregated from the municipality's general revenues. The Fees shall be expended solely for the purpose of construction or expansion of municipal off-street parking facilities by the Town of Camden, or for such other uses which assist the Town in solving the parking problem in the Town by providing additional parking for the general public in the vicinity of the B-1, the B-TR, and the B-H Districts.

Section 8: Schedule for Construction of a Parking Facility.

Within two (2) years of the date of enactment of this Ordinance, the Board of Selectmen shall establish a specific schedule for the construction of a municipal off-street parking facility utilizing, in part, the Fund. In the event that construction of the municipal off-street parking facility does not commence prior to November 7, 2004, then the Fund shall

refund, to each person, who contributed the Fee to the Parking Trust Fund as set forth in Section 6 above, any unexpended portion of the Parking Trust Fund Fee as of such date (November 7, 2004) in the proportion which that person's contribution to the Trust Fund bears to the total contributions made to that Fund as of that date, unless the deadline is extended by the Board of Selectmen. In the event that construction of the municipal off street parking facility has not commenced as of November 7, 2004, then the Board of Selectmen may, by a vote of that Board, extend the deadline for commencement of construction for a period of time not to exceed five (5) years, and any refund shall be calculated and payable after the date as extended.

Accrued interest on the Fund, after deduction of expenses of administration of the Trust, shall thereafter be delivered by the Trustee to the Town to be held in a segregated account dedicated to parking activities, such as studies of parking solutions.

Any person who received a waiver from the off-street parking requirement in accordance with the "Ordinance to Establish a Parking Trust Fund" enacted on November 7, 1989, shall not receive a refund as set forth in Section 8 of this Ordinance. Any such person making a contribution to the Parking Trust Fund prior to the date of enactment of this Ordinance shall remain subject to the provisions of Section 8 of "An Ordinance to Establish a Parking Trust Fund" which was enacted on November 7, 1989 and any refund of the Fee paid to the Parking Trust Fund for such person shall be determined in accordance with Section 8 of that prior Ordinance.

Section 9: Denial of Waiver.

In the event that the application for a waiver of the off-street parking requirements is denied, then the applicant's proposed use must comply with the off-street parking requirements of Article X, Part II, Section 4(2)(c) of the Zoning Ordinance of the Town of Camden. Such denial shall be in writing and shall contain sufficient findings of fact to inform the applicant of the reasons for denial.

Section 10: Periodic Review.

The Board of Selectmen shall review, at intervals of five (5) years from the date of enactment of this Ordinance, the operations of the Fund. At the election of the Board of Selectmen, the Fund may be audited periodically by an accountant.

As part of the periodic review of the Fund, the Selectmen shall determine the extent to which the initial Fee in the amount of Four Thousand Five Hundred Dollars (\$4,500.00) per parking space is appropriate. Upon a determination by the Board of Selectmen that such Fee is inappropriate, based upon actual construction costs, then the Board of Selectmen may cause an increase or decrease in the Fee for any person making an application for a waiver after the date of any determination by the Board of Selectmen that such Fee is inappropriate.

As of the date of enactment of this Ordinance, and for all prior years in which contributions were made into the Parking Trust Fund in accordance with the Ordinance for such a Parking Trust Fund adopted on November 7, 1989, the Parking Trust Fund Fee in the

amount of Four Thousand Five Hundred Dollars (\$4,500.00) per parking space shall be deemed reasonable and that Fee shall not be considered excessive for any such prior year.

Section 11: Appeal to Superior Court (80-B).

Any denial or adverse decision may be appealed by an aggrieved party with standing to the Superior Court, by filing a complaint for review of governmental action in accordance with Rule 80-B of the *Maine Rules of Civil Procedure* within thirty (30) days of the date of the decision of the Board of Appeals.

Section 12: Waiver – Succeeding Businesses.

In the event that the Board of Appeals permits a waiver of the off-street parking requirements in conformity with Section 6 of this Ordinance, then any such waiver shall apply to any succeeding business resulting from a sale or conveyance of the business of the applicant for a waiver, so long as the succeeding business is in the same category of use, for purposes of determining the parking requirements, as the business for which the waiver was originally granted.

Section 13: Contributions to Parking Trust Fund Prior to Date of Enactment.

Any contribution to the Parking Trust Fund which occurs prior to the date of enactment of this Ordinance shall be held by the Trustee in accordance with the provisions of this Ordinance, except as otherwise expressly stated in this Ordinance.

TOWN OF CAMDEN CONDITIONAL GIFTING ORDINANCE

Purpose: The purpose of this Ordinance is to provide an orderly method for receiving conditional gifts, authorizing the Select Board to accept such gifts, and to provide a method for perpetual or limited term compliance with the terms of all conditional gifts accepted by the Town of Camden. This Ordinance is adopted pursuant to 30-A M.R.S.A. 5654 relating to acceptance of conditional gifts, so as to promote the general health and welfare of the people of Camden through investment and betterment of public land, buildings and facilities used and enjoyed by the public.

1. Delegation of Authority to Select Board

It is hereby found by the Inhabitants of the Town of Camden that there exists a need to provide a mechanism for acceptance of conditional gifts as are offered to the Town of Camden from time to time. The conditional gifts can take the form of tangible or intangible property. The Inhabitants of the Town of Camden hereby find that in order to adopt a more efficient and orderly process of acceptance of conditional gifts in certain circumstances as described herein, the Inhabitants of the Town of Camden hereby delegate all authority of the municipality to accept conditional gifts as referenced in 30-A M.R.S.A. 5654, as amended from time to time, to the Camden Select Board.

2. Process for gifting or naming programs initiated by the Town of Camden

In the event that the Select Board determines, after notice and public hearing, that the Town wishes to engage in solicitation of conditional gifts related to donations for development of public lands, infrastructure, fixtures, buildings or parks, the Select Board may proceed as follows:

- (a) develop a scheme of gift or naming opportunity categories, based on a predetermined level of giving, and adopt such a scheme through a set schedule;
- (b) after adoption, the scheme and schedule shall be made available to the public and

- posted on the Town's official website;
- (c) after initial adoption, said scheme and/or schedule may be amended from time to time as an agenda item during any duly noticed Select Board Meeting;
 - (d) the terms of conditional gifting may include certain naming opportunities related to improvements on property owned by the Town of Camden or property over which the Town of Camden has rights of public access and use. The naming opportunity may include fixtures, improvements, betterments, portions or particular architectural aspects of buildings such as particular rooms, meeting areas, other particularized facilities, as well as buildings themselves; and
 - (e) any such scheme relating to conditional gift solicitation shall include a detailed outline of the terms and conditions of gifting, including the duration of the naming opportunity. A naming opportunity shall not exceed a period of fifty (50) years.

3. Conditional Gifts originating from the Donor

When the Select Board receives a written notice from a prospective donor or a representative regarding a proposed conditional gift, the Select Board shall proceed as follows:

It is intended that acceptance of such traditional unconditional gifts and trusts will be considered through an article in the annual Town Warrant.
- (b) Town-owned Historic Buildings/Structures/Objects included within the Camden Historic Districts as depicted in the Camden Historic Area Overlay Map approved at the Camden Annual Town Meeting on June 28, 2007, and Buildings/Structures/Objects listed on any State or Federal Register of Historic Places shall be exempt from and not subject to this Ordinance.

TOWN OF CAMDEN ORDINANCE TO REGULATE THE SALE AND/OR USE OF CONSUMER FIREWORKS

Section 1. Findings and Purpose

- (a) The Town of Camden finds that the Maine state legislature approved legislation to make the sale and/or use of consumer fireworks legally permissible, and that said amendments to the M.R.S.A., Title 8, Amusements and Sports, Chapter 9-A, Fireworks, take effect on January 1, 2012. Said legislation also allows a municipality to adopt an ordinance to prohibit or restrict the sale and/or use of consumer fireworks.
- (b) The Town of Camden finds that the sale and use of the consumer fireworks identified in the State law could pose a threat to the public health, safety and/or welfare. The Town of Camden further finds that it is in the best interests of the Town of Camden and public to prohibit the sale and use of consumer fireworks in the Town of Camden by adopting local ordinance provisions, as allowed by the relevant State law.

- (2) Helicopters and aerial spinners, as defined by the State Fire Marshal by rule; and

With a wooden stick attached for guidance and stability that rise into the air upon ignition and that may produce a burst of color or sound at or near the height of flight.
- (b) *Display* means an entertainment feature where the public or a private group is admitted or permitted to view the display or discharge of fireworks or special effects.

No person or legal entity shall use or sell consumer fireworks in the Town of Camden. This section, however, does not apply to a person or legal entity issued a fireworks display permit by the State of Maine pursuant to 8 M.R.S.A. §227-A, as amended.

Section 4. Penalties, Prosecution and Legal Fees.

Any prosecution under this Ordinance shall be initiated and conducted by the Camden Police Department.

Chapter VI-20

Unencapsulated Polystyrene Ordinance

SECTION 1 – PURPOSE

The intent of this ordinance is to eliminate the use of unencapsulated polystyrene in dock floats and buoys on Camden’s lakes, rivers, harbors and coastal waters.

The Inhabitants of Camden make the following findings: Polystyrene is a petroleum product, commonly known as Styrofoam. It is often used in dock floats because of its buoyancy. It is neither readily recyclable nor biodegradable and takes hundreds of years to degrade in the environment. When exposed to the elements, it fragments into unsightly, small, non-biodegradable pieces that may be ingested by marine life, wild and domestic water birds and other wildlife. When ingested, the polystyrene fragments may block the digestive system of birds and animals, killing them through starvation. Aquatic and land mammals, other organisms, and nesting rodents hasten the fragmentation of polystyrene by forming nests in, under or on top of the material when seasonally stored on land. Mechanical trauma such as the dragging of floats over land may also cause the polystyrene to break apart. The deterioration of larger polystyrene floats into beads and smaller pieces create a pollution line along shorelines, intertidal land and other places where buoyant debris collects, which is a form of pollution and increases the chances of ingestion by water dependent mammals and birds. Such pollution must be picked up and removed at the expense of the public and private citizens. To prevent such degradation, pollution and hazard to water dependent mammals and birds, polystyrene floats may be encapsulated in a hard polyethylene shell, which prevents the deterioration and spread of beads and smaller sections of polystyrene floats. The general health and welfare of the citizens, birds and animals requires that such use of unencapsulated polystyrene be banned from use in Camden’s lakes, rivers, harbors and coastal waterways. This Ordinance is adopted in relation to Home Rule Authority and plenary police powers as found in Title 30-A M.R.S. 3001, the Municipal Police Powers relating to the Public Trust in Intertidal Lands as fund in 12 M.R.S. 573(3), Title 38 M.R.S. 1 et seq., and 12 M.R.S 13072.

SECTION 2 – DEFINITIONS

Polystyrene is a thermoplastic polymer or copolymer comprised of at least 80 percent styrene or para-methyl styrene by weight.

Unencapsulated polystyrene means polystyrene that is not completely encased within a polyethylene shell or within other comparable materials warranted by the manufacturer for 8 years or more against cracking, peeling, sloughing, and deterioration from ultraviolet exposure and physical trauma.

SECTION 3 – USE OF POLYSTYRENE PROHIBITIONS

The use of unencapsulated polystyrene as a flotation device is prohibited for use in any lake, stream, water body, harbor and coastal water within the jurisdiction of the Town of Camden, including but not limited to in any dock system, float, mooring system or buoy.

Unencapsulated polystyrene is hereby prohibited for use in the repair of any existing dock system, mooring system, float or buoy placed or to be placed in any lake, stream, water body, harbor or coastal water within the jurisdiction of the Town of Camden.

SECTION 4 – NUISANCE

In addition to the prohibition as described in subsection 3 herein above and the remedies available to enforcement thereof, it is hereby declared that the use of unencapsulated polystyrene as a flotation device in any lake, stream, water body, harbor and coastal water within the jurisdiction of the Town of Camden, including but not limited to in any dock system, float, mooring system or buoy, is a nuisance and public health hazard, and may be prosecuted as provided in the Maine Revised Statutes.

SECTION 5 – AMORTIZATION OF POLYSTYRENE USE

Upon adoption of this Ordinance, all use of unencapsulated polystyrene as a flotation device in any lake, stream, water body, harbor and coastal water within the jurisdiction of the Town of Camden shall be prohibited. Therefore, the use of all existing unencapsulated polystyrene flotation devices in actual use as of the effective date of adoption of this ordinance shall be legally non-conforming. It is hereby declared, that all such unencapsulated polystyrene flotation devices shall be illegal on the fifth anniversary after the effective date of adoption of this Ordinance, and shall thereafter shall be subject to enforcement and removal as authorized herein. The Town of Camden finds this five year amortization in exercise of the local police power to be a reasonable regulatory means to address the public hazards to be corrected hereby.

SECTION 6 -- ENFORCEMENT

Any violation of the prohibited acts or uses described herein shall be a civil violation as defined in 17-A M.R.S.A. § 4-B and shall prosecuted under Maine Rule of Civil Procedure 80H by the Camden Harbor Master and/or the Camden Inland Harbor Master. The violator shall be subject to penalties of \$25 for the first violation. Failure to remediate the violation within 30 days after receipt of a written Notice of Violation shall result in a fine of \$25 per day for each additional day that the violation continues. In addition to the financial penalties so provided, the Town may seek temporary and permanent injunctive relief to enforce the terms of this Ordinance. Each violator found by the Court to have violated this ordinance shall pay the Town's reasonable attorney's fees and costs incurred in enforcing this ordinance.

Historical Note: Adopted by Special Town Meeting November 7, 2017.

Chapter VI-21 Miscellaneous Ordinances Prohibition on Polystyrene Containers

Section 1—Purpose

Polystyrene foam is a petroleum-based plastic made from the styrene monomer. A lightweight, good insulator, polystyrene is largely air. Many products use polystyrene to either keep items warm or cold or use the product to pack and ship items safely. Polystyrene is not easily recycled and when littered or discarded, creates undesirable impacts on water quality, stormwater, and wildlife, especially since it disintegrates easily into small particles and becomes difficult to retrieve. There are alternatives that are reusable, recyclable or compostable, which are already on the market and readily available. In keeping with this it is anticipated that substitute local packaging is expected to be of locally recyclable material.

Therefore, Camden, Maine, hereby adopts a ban on polystyrene to support the Purpose described above, and the Town finds that:

- Camden is located on Penobscot Bay, an area known worldwide for its natural beauty, fish and other wildlife;
- Camden has an obligation to maintain and preserve the area's special natural environment;
- and, maintenance of Camden as litter-free as possible is important to protect and preserve its natural environment and enhance the quality of life for residents and visitors.

This Ordinance will serve the public interest by reducing the amount of non-biodegradable waste littering Camden. In keeping with this it is anticipated that a portion of any substitute packaging is expected to be composed of biodegradable material in whole or in part.
