

ORDINANCE NO. 1455

**ORDINANCE OF THE CITY OF SAN CARLOS ADDING CHAPTER 8.28
TO THE MUNICIPAL CODE: REUSABLE BAG ORDINANCE**

IT IS ORDAINED by the City Council of the City of San Carlos as follows:

Section 1: RECITALS

WHEREAS the City Council finds that single use plastic shopping bags consistently constitute a substantial portion of the trash and litter found on the streets, streams, creeks and in the storm drains within the City of San Carlos; and

WHEREAS the City Council finds that effective ways to reduce the negative environmental impacts of single use plastic shopping bags include having consumers use reusable carryout shopping bags or compostable recycled or reusable paper bags; and

WHEREAS, on October 23, 2012 the Board of Supervisors for the County of San Mateo (“County”) has approved a Final Environmental Impact Report (“EIR”) and has adopted an ordinance banning single-use shopping bags from retailers, and requires retailers that provide reusable bags with a charge to customers of ten cents (\$.10) per bag; and

WHEREAS, the County’s ordinance encouraged cities and towns within and neighboring the County to adopt similar ordinances and the County’s EIR specifically analyzed the possibility of 24 cities (18 cities and towns within San Mateo County, including the City of San Carlos, and 6 cities within Santa Clara County) adopting the County’s ordinance within their own jurisdictions; and

WHEREAS, the City intends that this ordinance will fall within the scope of the County’s EIR and, therefore finds that:

- 1. The use of single-use carryout bags by consumers at retail establishments is detrimental to the environment, public health and welfare.**

- 3. Single-use carryout bags contribute to environmental problems, including litter in storm drains, creeks, the bay and the ocean.**
- 4. Single-use carryout bags provided by retail establishments impose unseen costs on consumers, local governments, the state and taxpayers and constitute a public nuisance.**

5. The City Council does, accordingly, find and declare that it should restrict the use of single use carry-out bags.

and;

WHEREAS the City Council does, accordingly, find and declare that it has a substantial interest in protecting its residents and the environment from negative impacts from single-use shopping bags and should ban the use by retailers of single use shopping bags and encourage the use of reusable bags by retailers.
