- (b) "Income", taxpayer's total income for the purposes of the circuit breaker income tax credit, as defined in paragraph (1) of subsection (k) of section 6 of chapter 62.

SECTION 2. With respect to each qualifying parcel of real property classified as Class one, residential, there shall be an exemption from the property tax equal to the total amount of tax that would otherwise be assessed without this exemption less the sum of: (i) 10 per cent of income, or such other percentage of income as determined under section 4 of this act; (ii) the circuit breaker income tax credit under subsection (k) of section 6 of chapter 62 the applicant received for the year prior to the year for which application is being filed; and (iii) any other statutory exemptions received in the year for which the application is being filed. In no event shall property taxes be reduced by more than 50% by this exemption.

SECTION 3. The board of assessors may deny an application for an exemption pursuant to section 2 of this act if they find the applicant has excessive assets that place them outside of the intended recipients of the senior exemption created by this act. Real property shall qualify for the exemption under section 2 if all of the following criteria are met:

- (a) the real property is owned and occupied by a person whose prior year's income did not exceed the income limit established in clause (i) of paragraph (3) of subsection (k) of section 6 of chapter 62 and adjusted pursuant to paragraph (4) of subsection (k) of section 6 of chapter 62 for the prior year, whichever such income limit applies to the individual's filing status, multiplied by a percentage, determined by vote of the Board of Selectmen following passage of this act, of no less than 75 per cent and no greater than 100 per cent, which percentage may be modified annually by vote of the Board of Selectmen, and may differ based upon filing status;
- (b) the real property is owned by a single applicant age 65 or older at the close of the previous year or jointly by persons either of whom is age 65 or above at the close of the previous year and if the joint applicant is 60 years of age or older;
- (c) the real property is owned and occupied by the applicant or joint applicants as their domicile;
- (d) the applicant or at least 1 of the joint applicants has been domiciled in the town of Westford for at least 10 consecutive years before filing an application for the exemption;
- (e) the maximum assessed value of the domicile does not exceed (i) the prior year's average assessed value of a single family residence for the town plus 10 per cent; and (ii) the valuation limit established in clause (ii) of paragraph (3) of subsection (k) of section 6 of chapter 62 and adjusted pursuant to paragraph (4) of said subsection (k) of said section 6 of said chapter 62 for the prior year; and
- (f) the board of assessors has approved the application.

SECTION 4. The exemption under section 2 shall be in addition to any other exemption allowable under the General Laws; provided, however that there shall be a dollar cap on all the exemptions granted pursuant to this section equal to .5 per cent of the fiscal year's total residential property tax levy for the town, including the levy for any regional high school if not included in the town's tax levy at some subsequent date with the total exemption amount granted by this act allocated proportionally within the tax levy on all residential taxpayers. After the first year of such exemption, the total cap on the exemptions granted pursuant to this act shall be set annually by the board of selectmen within a range of .5 to 1 per cent of the residential property tax levy for the town, including the levy for any regional high school. In the event that benefits to the applicants may be limited because the percentage established annually by the selectmen would otherwise be exceeded, the benefits shall be allocated by raising the income percentage as required in section 2 as necessary to not exceed the cap. In the event the cap exceeds the need for the exemption, the total cap on the exemptions granted by this act shall be reduced to meet the need.

SECTION 5. A person who seeks to qualify for the exemption under section 2 shall, before the deadline established by the board of assessors, file an application, on a form to be adopted by the board of assessors, with the supporting documentation of the applicant's income and assets as described in the application. The application shall be filed each year for which the applicant seeks the exemption.

SECTION 6. No exemption shall be granted under this act until the department of revenue certifies a residential tax rate for the applicable tax year where the total exemption amount is raised by a burden shift within the residential tax levy.

SECTION 7. Acceptance of this act by the town of Westford shall be by an affirmative vote of a majority of the voters at any regular or special town election at which the question of acceptance is placed on the ballot. Sections 1 to 6, inclusive shall take effect 30 days after an affirmative vote by the town.

SECTION 8. This act may be revoked by an affirmative vote of a majority of the voters at any regular or special town election at which the question of revocation is placed on the ballot. Revocation of sections 1 to 6, inclusive shall take effect 30 days after an affirmative vote of the town to revoke those sections.

ARTICLE 25: Adopt a Bylaw to Regulate the Retail Use of Single-use Plastic Checkout Bags

Citizen Petition

Motion: *(Majority Vote Required)*

**Westford
Ch. 134: Plastic Bag Reduction**

§1.1. Purpose and Intent

The purpose of this bylaw is to regulate the retail use of single-use plastic checkout bags and promote the use of reusable, recyclable and biodegradable bags in the Town of Westford.

- The manufacture and use of single-use checkout bags have a significant impact on the environment, including, but not limited to: contributing to pollution of land, waterways, and oceans; contributing to the death of marine animals through ingestion and entanglement; creating a burden to solid waste collection and recycling facilities; clogging storm drainage systems; and requiring the use of millions of barrels of crude oil.
- Plastic bags also affect human health by adding pollutants to the air we breathe during the process of extracting oil from the ground, when they are disposed of by incineration, and when they break down adding toxic chemicals to the groundwater.
- Plastic bags are rarely recycled and are not biodegradable. Residents of Westford are justifiably proud of their environmental awareness. The reduction of plastic bags is another way to demonstrate that we care about the health of where we live and our Planet.

§2.1. Definitions

- A. **Single-use plastic bags** shall mean a plastic bag including but not limited to bags with integral handles made of non-biodegradable plastic that is less than 3.0 mils in thickness, and is intended for single-use transport of purchased items provided by an establishment to a customer at the point of sale.
- B. **Recyclable paper bag** means a paper bag that is 100% recyclable and displays in a visible manner on the outside of the bag the word “recyclable” or a symbol identifying the bag is recyclable.
- C. **A reusable checkout bag** shall be a bag with handles that is specifically designed for multiple use, preferably made of natural fibers, that is at least 3.0 mils or thicker.
- D. **Establishment** shall mean any business or vendor that sells or provides food, merchandise, goods, or personal services to the public. However, the term Establishment does not include bazaars or festivals operated by nonprofit organizations or religious institutions.

§3.1. Regulations

- A. Single-use plastic bags shall not be distributed, used, or sold for checkout or other purposes at any Establishment within the Town of Westford.
- B. Other thin-film bags used to contain dry cleaning, newspapers, produce, meat, bulk foods, wet items, perishables and other similar merchandise, typically without handles, are still permissible.
- C. If a retail store provides or sells checkout bags to customers, the bags must be one of the following:
 1. Recyclable paper bag, as defined above or
 2. Reusable checkout bag, as defined above

§4.1. Enforcement and Penalties

- A. Enforcement of this bylaw shall be the responsibility of the Board of Health. The Board of Health may promulgate regulations with regard to the enforcement of this bylaw and make provisions for variances.

B. Any Establishment found to be in violation of this bylaw shall be subject to a non-criminal disposition as provided in the M.G.L., ch. 40, § 21D and appropriate chapter of the General Bylaws of the Town of Westford. The following penalties shall apply:

First Offense: written warning

Second Offense: \$50.00 fine

Third Offense: \$75.00 fine

Subsequent offenses shall be determined as offenses occurring within two years of the date of the first noticed offense. Each day or portion thereof shall constitute a separate offense.

§5.1. Effective Date

A. This bylaw shall take effect January 1, 2019.

B. Each section of this bylaw shall be construed as separate to the end that if any section, sentence, clause or phrase thereof shall be invalid for any reason, the remainder of this bylaw shall continue in force.
